

# Lock It Up!

Poisons can be found or used in almost any room of the home. They can make you sick if you eat or drink them. If you see a poison, say "Code Red Rover, Grownup Come Over!" Ask the grownup to put it in a locked place.

Help Rover, the Home Safety Hound, make your home safe from poisons. Look at the pictures below. Put an X through the ones that are poisons. Circle the ones that are safe to touch.

Bleach

Basketball

Apple

Book

Hairspray

Shoes

Vitamins

Ice Cream

Dish Detergent
