**RE: Firemed Program Changes**

Dear Firemed Member:

Canby Fire District is making changes to its current Firemed program. In order to maintain the program, we are looking at areas to restructure.

Canby Fire District's Firemed program will now have an enrollment period of November 1<sup>st</sup> – December 31<sup>st</sup> of every year. During this enrollment period, Canby residents may renew or start a subscription for a 1-year ground membership for an annual fee of \$61.00. Air transport memberships are available separately through the LifeFlight Network but can no longer be offered as a combination. Canby Fire will be honoring your current memberships in an effort to acknowledge your loyalty to Canby Fire and continue to provide excellent customer service to our community. Please see the below membership guideline:

Current Membership Expiration*	New Member Expiration
August – December 2019	December 31, 2019
January – December 2020	December 31, 2020
January – September 2021	December 31, 2021

\*If you are unsure of your current membership expiration, please contact Canby Fire District at 503-266-5851

Members with a combo membership will remain covered with Firemed according to the above guideline. The air transport portion of your membership will continue to be through LifeFlight network and will have the same expiration date as you currently have.
